

**Qualifications:** MD, DM (Gastroenterology)

**Experience:** Teaching undergraduates as well as postgraduates for the last twenty years. Worked as faculty at leading teaching as well as research Institutes of the country i.e. Institute of Medical Sciences, BHU Varanasi, Nizam Institute of Medical Sciences, Hyderabad, Indira Gandhi Institute of Medical Sciences, Patna. Presently working as Associate Professor, Department of Hepatology, Postgraduate Institute of Medical Education & Research, Chandigarh.

**Awards:**

*National*

1. Department of Science and Technology Fellowship for attending 10th World Congress of Gastroenterology held at Los- Angeles, California, USA between 2nd-7th October, 1994.
2. Himalaya Junior INASL Fellowship for the year 1994.
3. Indian National Science Academy (INSA) Visiting Fellowship for the year 1995-96 and visited Christian Medical College, Vellore for 3 weeks.
4. Second prize in the poster presentation for paper entitled "Effect of cigarette smoking on gastric bicarbonate secretion" at Annual ISG Conference held at Varanasi in 1994.
5. Merit poster award for the paper entitled "Epidemiology of gallstone disease in Chandigarh" at Annual ISG Conference held at Chandigarh in 1996.
6. Best poster paper award for the paper entitled "Budd-Chiari syndrome: our experience of 71 patients" at Annual ISG Conference held at Pune in 1998.
7. Olympus Mitra Endoscopy Award for the year 2000-2001; given by Indian Society of Gastroenterology for the expertise and dissemination of knowledge in the field of endoscopy.
8. Sisco-Pentax Oration for the year 2000-2001 given by Society of Gastrointestinal Endoscopy of India.

9. ISGCON 2003 poster session award for the paper entitled " Contrast-free unilateral endoscopic palliation in malignant hilar biliary obstruction: a new method" at annual conference of Indian Society of Gastroenterology held at Chennai in November, 2003.
10. Best Poster Paper Award for the paper entitled "High dose rate intraluminal radiation for the palliative management of malignant biliary tract obstruction by endoscopic method:a preliminary report" presented at 3<sup>rd</sup> international conference of RGCON held at New Delhi in April 2004.

### ***International***

1. Visiting Fellow at Therapeutic endoscopy centers for 3 weeks at Brigham and Women Hospital, Boston (USA) and Beth-Israel Hospital, Boston (USA) from 22.5.99 to 10.6.99.
2. Travel Award from American Association for the Study of Liver Diseases and Asian Pacific Association for the Study of the Liver for presenting a paper at the 14<sup>th</sup> Biennial conference of the Asian Pacific Association for the Study of the Liver held at Delhi in December 2004.
3. Certificate of Distinction by American Association for the Study of Liver Diseases and Asian Pacific Association for the Study of the Liver for an outstanding poster presentation of a paper entitled " Terlipressin versus albumin in paracentesis induced circulatory dysfunction in cirrhosis" at the AASLD/APASL Workshop during the 14<sup>th</sup> Biennial conference of the Asian Pacific Association for the Study of the Liver held at Delhi in December 2004.
4. Underwent Training in Liver Transplantation at Center for Liver Diseases and Thomas E Starzl Transplantation Institute at University of Pittsburgh Medical Center, Pittsburgh between 20<sup>th</sup> May 2005 to 10<sup>th</sup> June 2005.
5. Visiting Professor to the Section of Hepatology, Rush University Medical Center, Chicago, Illinois (USA).
6. Visiting Professor to the Center for Liver Diseases and Department of Gastroenterology, University of Pittsburgh Medical Center, Pittsburgh.

**Membership of Societies:**

1. Member of American Society of Gastrointestinal Endoscopy.
2. Life member of Indian Society of Gastroenterology.
3. Life member of society of Gastrointestinal Endoscopy.
4. Life member of Indian Association for study of liver.
5. Member of European Association for Study of Liver.
6. Member of Asian Pacific Association for Study of Liver.

**Reviewer**

1. Reviewer for the American Journal of Gastroenterology
2. Reviewer for American Journal of Kidney Diseases
